

## **Important Notice from Pepsi-Cola Bottling Co. of Corbin, Kentucky, Inc. About Your Prescription Drug Coverage and Medicare**

**Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Pepsi-Cola Bottling Co. of Corbin, Kentucky, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.**

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Pepsi-Cola Bottling Co. of Corbin, Kentucky, Inc. has determined that the prescription drug coverage offered by the Humana, Inc. is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current **Pepsi-Cola Bottling Co. of Corbin, Kentucky Inc.** coverage will not be affected. The current prescription drug plan provided through Humana, Inc. has four different levels with corresponding co-payment amounts. Level One is the lowest copayment for low cost generic and brand-name drugs, with a copayment of \$15 per prescription or refill. Level Two has a higher copayment (\$35) and is for higher cost generics or brand-name drugs. Level Three has a copayment of \$55 and is for brand-name drugs that may have generic or brand-name alternatives to Level One and Level Two. Level Four is the highest copayment for high-technology drugs and self-administered injectable medications and is 25% of the total required payment to the dispensing pharmacy per prescription or refill up to a maximum of \$2500 per year. You can keep this coverage if you elect part D and this plan will coordinate with Part D coverage; for those individuals who elect Part D coverage, coverage under the entity's plan will end for the individual and all covered dependents, etc. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current **Pepsi-Cola Bottling Co. of Corbin, Kentucky Inc.** coverage, be aware that you and your dependents will be able to get this coverage back during open enrollment or as a result of a qualifying event.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Humana, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
